**Metal Medic
263**
(7059)
Alkaline Cleaner

INCREASING PROFITABILITY THROUGH SOLUTIONS-DRIVEN CHEMICAL TECHNOLOGY

Description:

Metal Medic 263 is a low-foaming, heavy-duty cleaner formulated to effectively remove oil, rust, and other stubborn residues from ferrous metals. In addition to its powerful cleaning capabilities, it functions as a highly alkaline scale remover when used at temperatures above 180°F. This dual-purpose formulation makes Metal Medic 263 an ideal choice for demanding industrial cleaning processes where both rust removal and scale breakdown are required for optimal surface preparation and maintenance.

Applications:

Open Mouth Barrels: 2-4% to clean and brighten
Hot Tank Applications: 10-30% for rust and scale removal

Safety on Materials: Metal Medic 263 contains sodium hydroxide.

PRODUCT PROPERTIES

Appearance	Clear Liquid
Specific Gravity	1.350 - 1.390
pH 5% Solution	13.0 -14.0
Percent Volatile	50%

PACKAGING CONFIGURATIONS

- 5 Gallon Pails
- 55 Gallon Drums
- 275 Gallon Totes

STORAGE & HANDLING

- Packaged in Polyethylene Containers
- Store Inside at Room Temperature in Original Container
- Standard Chemical Handling Practices
- Shelf Life of ~2 Years in Sealed Containers

See SDS for complete safety recommendations.
