Metal Medic 7345 Cleaner / Rust Inhibitor

INCREASING PROFITABILITY THROUGH SOLUTIONS-DRIVEN CHEMICAL TECHNOLOGY

Description:

Metal Medic 7345 is a liquid multi-metal cleaner specifically formulated for single-stage spray washers. It effectively degreases and removes particulates to achieve a visually clean surface. This cleaner also helps prevent rust on ferrous materials, tarnish on brass, and oxidation on zinc or aluminum. The formulation combines wetting agents, mild alkaline builders, and oxidation inhibitors to deliver these benefits. With the same rust protection as Metal Medic 7375 but a higher pH, Metal Medic 7345 offers extended tank life and improved resistance to bio-growth.

Applications:

2-3% v/v for light inhibition / light cleaning
5-10% v/v for heaving cleaning / heavy inhibition

Safety on Materials: Safe on all metals. May etch aluminum at elevated temperatures. Safe on most paints and plastics.

PRODUCT PROPERTIES

Appearance	Colorless to Straw Yellow Liquid
Odor	Mild
Foaming	Non-foaming to Low
Rinsing	Excellent
pH 5%	10.6 - 11.6
Specific Gravity	1.04 - 1.06

PACKAGING CONFIGURATIONS

- 5 Gallon Pails
- 55 Gallon Drums
- 275 Gallon Totes

STORAGE & HANDLING

- Packaged in Polyethylene Containers
- Store Inside at Room Temperature in Original Container
- Standard Chemical Handling Practices
- Shelf Life of ~2 Years in Sealed Containers

See SDS for complete safety recommendations.
